Read that last part again.

Check our website for appearance details.

Only singers in the proper uniform and following appearance guidelines may perform.

Parking: We are unsure at the time of printing this what parking will be affected, but we know that construction will be happening around the area.

Handicap seating? Email Melissa BEFORE April 27.

Roses: Pick them up in the lobby alcove **when you arrive**.

Recording: Are you video recording? Please go to the balcony. Do NOT record with an iPad. It's too distracting for other audience members.

This concert and the 1:00 concert will be professionally (audio) recorded. Buy these CDs on or before concert day to get a discount. Your singer will love singing in the car to our concert CD!

Late? You may enter the theatre only between songs.

Illness: If your singer isn't feeling well on concert day ☹️ **keep him or her home**. Just email Melissa to let us know.

Lobby: You'll find plenty of snack options in the lobby at intermission.

Those snacks stay in the lobby! Don't bring them into the theatre.

Please help younger children with their purchases.

Concert Times: There are two concerts on this day and your singer is performing in both concerts. The first one is primarily Do Re Mi and Treble Choirs. The younger choirs will not be performing at the 3:30 concert. IC, CC, and HC will sing a few pieces at the 1:00 concert. These pieces are the SAME pieces that they will sing at the 3:30 concert – plus much more. We are asking that all IC, CC, and HC families come to the 3:30 concert.

Please email Melissa if you have any questions,  
and we will see you on April 30<sup>th</sup> for “Bloom”!
