

Show your singer how proud you are ~ with a rose

Do you ever feel like you would like to give your singer a little something after the concert, but don't want to go overboard? We have a reasonable, yet elegant way to accomplish this.

Palatine Children's Chorus will be selling single roses for you to give your singer after the Spring Concerts. You can **pre-order** a rose (or a bunch of roses if you'd like) and pick it up before the concert.

Each pre-ordered rose will cost \$2.00 and will come in a plastic sleeve.

Don't forget to ask grandparents, aunts & uncles if they would like to buy one!

Pre-orders are due **Wednesday, April 22, 2015**

Limited number of Roses available the night of the concerts. Cost: \$3.00.
