

OUR MISSION IS...

- to nurture and develop the natural abilities of children who love to sing;
- to confirm the importance of each individual singer as a critical part of our entire program;
- to offer quality music education at each level;
- to give our singers an introduction to the world's diverse cultures through music;
- to develop our singers' individual self-confidence, self esteem, and pride as they achieve musical excellence; and
- to instill a love of music that will continue to develop and grow long after they leave us.

The Palatine Children's Chorus 6-level program draws singers between the ages of 4 and 18 from more than 15 local communities and 25 schools and is recognized internationally as one of America's premier children's choruses.

In our 2015-2016 season our focus will be split in these directions:

1. **Continuing to develop our sense of family** by hosting more special social and performance events for all our choirs
2. **Work on our 30th anniversary celebration** by commissioning a special work to be written just for PCC, securing a high-profile composer/director for a special One Voice celebration, planning a banquet, and recording a "best of PCC" CD.
3. **Enhancing our rehearsal and educational experience** by creating a music theory handook, purchasing instruments, and developing a system so each singer has a box or bag or instruments during rehearsal.
4. Planning **One Voice Feb. 24 2016** so our Treble and Intermezzo singers can experience a festival plus our guest school choirs and our Concert Choir
